What is a Makerspace?

A Makerspace is a collaborative area that encourages experiential and hands-on learning. Families will have the opportunity to tinker, innovate, and create STEAM inspired items!

Join the Challenge!
 Look each month for a different maker challenge to be completed at the Makerspace! Check out this month's challenge at smvdiscoverymuseum.org or on the Challenge Board in the Makerspace!

Email programs@smvdiscoverymuseum.org to get weekly newsletters and special event notices!
